## President's Message

Crestwood Members,

Now that the pool season has ended and Fall is in the air I wanted to convey a few messages to you.

First, I would like to thank all of our members for helping to keep our pool clean and tidy. As the result of a members' suggestion we looked into recycling again this year and mid-season, were able to provide recycling containers for plastic and cans.

I would also like to thank you for all of your suggestions and comments throughout the season. These comments keep us on our toes and help us to make effective changes that hopefully keep everyone accommodated and comfortable while at the pool. Please keep those suggestions coming over the winter months as we always are looking for ideas and constructive criticism on how we can run the pool more effectively and make any changes for the better.

Second, I would like to thank all of our lifeguard staff for doing a great job again this year with keeping our pool safe and in very efficient running order. I would like to wish them all a great

school year & happy holidays. I would also like to say thank you to Kevin Reichard and his staff at the Snack Bar. What a great year we had with Kevin and his staff keeping our bellies full with his good eats!

2011 was our highest year of memberships since the early 1990's. All in all, it was a fantastic year and I sincerely hope you enjoyed a fantastic summer with us. Thank you as well to all of the board members who give up their valuable time every week to help keep Crestwood #1 in Berks County.

Finally I would like to remind members to **get your membership dues for the 2012 season in early!! Our pool has grown to the point of maximum occupancy and there is a "Cut Off" number of memberships that we are allowed to have. So please members, get your dues in early so we are able to accommodate you for the 2012 season.**

Regards,  
JR Gieringer  
President  
Crestwood Swimming Pool

## General Membership Meeting

Tuesday, October 18, 2011  
7:00 pm

Exeter Senior High School (back parking lot entrance)  
All Members are welcome!

Election of directors and officers will take place at this meeting.

## Membership

Crestwood Pool once again had many new members this summer as well as many returning faces. Hopefully everyone enjoyed the pool and took advantage of all the nice hot days we had this season.

An important reminder: Please inform me if you have any address changes in order to receive your invoice and newsletter in the spring. Also, if you are a stock holder and do not plan on joining the pool anymore, be sure to contact me to get your name on our list of sellers so your stock does not continue to devalue. You can email me or find additional contact information on the Crestwood Pool Website.

Please spread the word to all of your friends about joining our pool. If they join and let us know that you referred them, you will receive seven guest passes for the referrals you make. Hope to see you all next summer!

*Melissa Webster*  
Membership Secretary

## PAC Update

Crestwood PAC would like to thank all of the Crestwood team swimmers and divers for a great 2011 season! Our kids had some wonderful team and personal accomplishments again this season. We look forward to seeing all of you next season and many new faces too. Invite your friends to join the team with you!

We would also like to thank Coach Katie, Coach Joey and Coach Heebner for the awesome jobs that they did coaching the kids this season.

The Parents' Aquatic Club (PAC) is looking for parents interested in serving on the PAC board. It is a great way to get involved and keep this great program running for the kids. If you think you may be interested and would like more information about the benefits and responsibilities of the different board positions available, please contact Jodi Daniels at [jodilynd@aol.com](mailto:jodilynd@aol.com) or call me at 610-823-9125.

We encourage all swimmers to find a winter program during the off season. We wish you all a wonderful year and will see you at the pool!

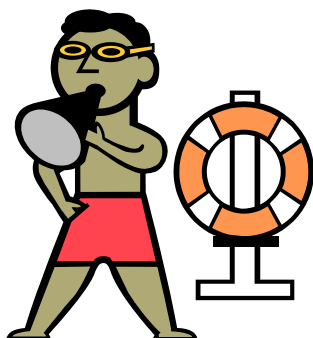

Sincerely,

Jodi Daniels  
Tracey Miller  
Chet Hinkelman  
Joette Schwenk

## Summer Jobs

Do you have a teenager who is interested in working during the summer of 2012? If so, ask them to consider applying to Crestwood Pool as a lifeguard. We are always looking for enthusiastic and qualified young people to join our summer staff. In order to be considered, applicants must have their lifesaving

and CPR certifications. If they plan ahead they can obtain the necessary certifications during the school year from the American Red Cross. You should contact them for their schedule of classes and costs or visit them online.

Once your teen has obtained the necessary certifications, they should send a resume or letter of interest to: Edrick Wittes, Personnel Director  
edrickwittes@yahoo.com.
